Dear Guillermo Barrios del Valle:

Thank you for your prompt and careful evaluation of the work
"Optimizing a Physics-Informed Neural Network (PINN) to solve the Reynolds Equation", for Revista Mexicana de Física.

We have followed your recommendation and have decided to accept the work for publication.

We appreciate your contribution to the quality of the work that we publish. We hope to keep counting with your valuable help in the future.

Best regards,

Alfredo Raya
Chief Editor
RMF
